## **Neuzil To Hold January Government and You Listening Posts**

(IOWA CITY IA) Terrence Neuzil, member of the Johnson County Board of Supervisors, will hold his "Government and You" Listening Posts in January. The listening posts last one hour and provide residents an opportunity to discuss local, state and national government issues in an informal setting. Each month during the listening posts, citizens also can learn and discuss a hot and emerging issue that Johnson County is facing. In January, the Hot Topics Discussion will be on Legislative Priorities for County Government in 2008. The 82<sup>nd</sup> General Assembly's second session will soon convene and the decision making of the Iowa Legislature and the Governor will likely impact your county government. From public safety, roads and mental health funding to bicyclist rights on county roads, learn first hand on issues supervisors and other county government leaders around the state will lobby for in 2008.
